Taxes - All purchases are subject to **GST** (6%). Exceptions are, **N.S.**, **N.B.** & **Nfld** these are subject to **HST** (14%). All taxes are calculated on the net value of the purchase made. **Ontario** residents add **PST** (8%) calculated on the net value of purchase before the addition of **GST**, or provide completed **PST** exemption form.

MINIMUMS - Some items such as canvas and paper have minimum requirements. Please see catalogue for specifics.

NOTE - Although there is no discount applied to some materials, the value of these materials may be used to establish the discount status of discountable materials. For example, if you order \$200.00 worth of paints and other discountable items, and \$200.00 worth of non-discountable items, your total of \$400.00 will allow you a 40% discount on the discountable items.

RETURNS AND DAMAGED GOODS - Any merchandise may be returned, shipping prepaid, in a like-new condition, subject to a 15% restocking charge. Defective items are exempt from the above charge. Notify us of any defective item before returning for the credit or exchange. If you receive any damaged goods notify the carrier immediately, the couriers are responsible for compensating Stevensons for damaged materials and consequently must complete a damage report.

SHIPPING CHARGES.

Stevensons assumes the greatest part of the shipping charges. **There is a basic shipping and handling charge of \$15.00 per order. From Dec 1 to Mar 31 there will be an additional \$5.00 charge for all orders containing acrylic products.** These acrylic products require heated services for which the couriers charge extra. Shipping costs for orders from the **Yukon, NWT** and **Nunavut** will be calculated on an individual order basis. Customers will be informed of those costs prior to shipping.. **In the case of a group order to one address, one person should add the relevant shipping costs to their payment. See additional shipping information at the top of page 2.**

Note: All destinations should be accessible by express carriers because there are certain restrictions on what may be transported by mail. Because of this, a full address (rather than simply a Post Office Box number) is essential. Some rural addresses may be required to pick up shipments at the nearest carrier depot.
